**We are very proud to introduce our 100% Environmentally Friendly, Biodegradable Ink line of apparel.**

- When you see our "ECO" symbol beside one of our shirts, you can be assured that each of these shirts has been printed using only 100% Environmentally Friendly Biodegradable dyes made from Soybeans. As well no pesticides or chemical fertilizers were used in the making of the cotton.
- These same shirts are completely sweatshop free being manufactured and printed in Canada.
- To top that off, they are also 100% Combed Ringspun cotton for softness and comfort. Double stitched, Pre-shrunk & machine washable, these are one of the most comfortable shirts you'll ever want to wear.
